

STUDENT RESIDENCE ILLINOIS INSTITUTE OF TECHNOLOGY

McCormick Student Village

The Kaplan residence is part of the McCormick Student Village which houses approximately 700 students in 6 wings (4 floors each). There is a cafeteria, game room, computer lab, mail room, laundry room and study rooms within the complex.

Each room boasts spacious twin living quarters and provides each student with individual study space. Male and female bathrooms are located on each floor, complete with showers.

It's an extremely secure place to live because all students must enter and exit through the same central doors of the building, where a door guard is posted 24-hours a day. The student ID is called the 'Hawk Card' and is used as a personal ID, for gaining entry into the residence halls, as a meal card, for laundry, photocopying and vending machines.
